

Start of the Day- Morning Meeting

Our school begins each day with a focused **Morning Meeting** in a standing mode to ensure clarity, communication, and coordination across the team. Each teacher comes prepared to discuss relevant tasks, challenges, and what did not work on the previous day. **Minutes of Meeting** are circulated by 7.45 am, ensuring everyone is aligned. This approach promotes accountability, teamwork, and effective planning, setting a positive tone for the day ahead.

Start of the Day- Welcome Home

Teachers greet each child **at the gate** with attention; asking questions that show **genuine concern for the child's well-being**, such as how they slept, if they spent time with family, or if anyone in the family isn't feeling well. This personalized interaction fosters a sense of security and belonging, ensuring every student feels valued and loved as they start their day.
